## In Mixed Car Shipments Save You Money on Your Freight Charges

Globe Feeds and Pine Tree Seeds can all be utilized in making up the minimum weight of a mixed carload shipment to certain shipping points. The respective carload freight rates apply on each commodity in the car. Write to us for full particulars concerning your shipping point.

Many merchants buy some seed from one point, feed from another point and pay local freight charges on each shipment. Combining orders and concentrating on Globe Feeds and Pine Tree Seeds has meant a big saving to many merchants. Possibly the same plan would be beneficial to you.
